

VA Palo Alto Health Care Systems Research

Help us improve our services to older Veterans (60 or older)

**Do you feel overwhelmed, stressed or hopeless?
If so, we'd like to hear from you.**

**This study is looking for older Veterans
to participate in and provide their feedback on an
intervention to relieve stress and increase hope.**

If you are eligible, you will earn up to \$220.

**To find out if this study is right for you, please call
(confidential voicemail):
(650) 493-5000 extension 67960**

For participant's rights questions, contact 1-866-680-2906
